Syllabus: The syllabus for the Computer Based Examination will be as follows

- 1. General Intelligence and Reasoning
- 2. General Knowledge and General Awareness
- 3. Elementary Mathematics
- 4. English/ Hindi

General Reasoning and Intelligence: Tests of analytical aptitude and the capacity to recognize and identify patterns will mostly consist of nonverbal questions. This section could contain questions about relationship concepts, arithmetical reasoning and figural classification, arithmetic number series, non-verbal series, coding and decoding, analogies, similarities and differences, spatial visualization, spatial orientation, visual memory, discrimination, and observation.

General Knowledge and General Awareness: Questions in this component will be aimed at testing the candidate's general awareness of the environment around him. Questions will also be designed to test knowledge of current events and of such matters of every day observations and experience in their scientific aspect as may be expected of any educated person. The test will also include questions relating to India and its neighboring countries especially pertaining to sports, History, Culture, Geography, Economic Scene, General Polity, Indian Constitution, and scientific Research etc. These Questions will be such that they do not require a special study of any discipline.

Elementary Mathematics: This paper will include questions on problems relating to Number Systems, Computation of Whole Numbers, Decimals and Fractions and relationship between Numbers, Fundamental arithmetical operations, Percentages, Ratio and Proportion, Averages, Interest, Profit and Loss, Discount, Mensuration, Time and Distance, Ratio and Time, Time and Work, etc.

English/ Hindi: Candidates' ability to understand basic English/ Hindi and his basic comprehension would be tested.
